

**STATE WATER RESOURCES CONTROL BOARD  
BOARD WORKSHOP SESSION – DIVISION OF DRINKING WATER  
MARCH 17, 2021**

**ITEM 8**

**SUBJECT**

2020 SAFE DRINKING WATER PLAN WORKSHOP

**DISCUSSION**

In accordance with AB 2501 the Division of Drinking Water is updating the Safe Drinking Water Plan. The previous Safe Drinking Water Plan was from 2015. As part of the 2020 Safe Drinking Water Plan development, the Division of Drinking Water is hosting public workshops to solicit public comment.

The Division of Drinking Water released the draft 2020 Safe Drinking Water Plan for public comment, which are due by 12 noon on April 23, 2021.

**POLICY ISSUE**

To promote transparency and solicit input on the focus of the Division of Drinking Water, the Division of Drinking Water is hosting workshops on the draft 2020 Safe Drinking Water Plan. The workshops will provide an opportunity for stakeholders to learn about, and contribute to, the State Water Board's 2020 Safe Drinking Water Plan. The Division of Drinking Water will provide an overview of the document, highlight progress made since the 2015 Safe Drinking Water Plan, and describe the goals in the 2020 Safe Drinking Water Plan.
